Tareq A. Al Sadhan, CEO of Riyad Bank, said:

"Riyad Bank achieved a strong set of results in Q2 2023 mainly due to the revival of economic activity and positive jaws from higher total operating income growth. The bank continued to achieve its goals for the year and effectively engaged with its customers to provide innovative financial solutions.

Riyad Bank performance reflects the dedication and focus of our management team to make every effort to achieve the bank's strategic objectives. This strong performance demonstrates the effective and consistent execution of the bank's transformation agenda and its elevated 2025 strategy. Our ambitious strategy will be delivered across three key areas (Value through innovation, Efficiency through digitization and Enablement through next generation) by 2025.

We grew our retail and commercial portfolios, and delivered strong balance sheet and core income growth. We continue to focus on our commitment to make customers, shareholders and employees satisfied and exceed their expectations through continuous enhancement to our business and organization competences.

Our aspiration is to become one of the top Banks in KSA.

We believe that Riyad Bank's long-standing objectives are entirely consistent with Saudi Vision 2030 and is well positioned to deliver an outstanding value proposition for our customers, shareholders and employees."

Outlook

The Kingdom continues its growth driven by non-oil sector with a steeply upward growth trajectory which can be seen on the Riyad Bank Purchasing Managers' Index readings. Despite tighter monetary conditions, demand and supply balance seemed robust, spurred by the ongoing Giga projects around the Kingdom. This has accelerated employment and wages growth to historical level. Going forward, we expect the private sector to grow beyond 2022 levels on the back of favourable market conditions.
