# GLOBAL SERVICES

## RESIDENTIAL Prime Sales

Our prime sales network is involved with the most prestigious residential properties around the world. Our integrated global network and ability to identify unique investment opportunities, combined with our unrivalled access to HNWI's, places us in an unparalleled position of strength.

Whether it is sovereign wealth or the upwards of 3,000 individuals we have dealt with personally with a net worth of more than US\$100 million, our record of selling trophy homes is second to none and has enabled us to act for more than 600 billionaires.

### Project Marketing and International Project Marketing

Through our Project Marketing service we provide developers of mid- to high-end projects with research, consultancy, marketing and sales. Unit values targeted are those in excess of US\$350,000, in locations where long-term value is ensured, such as London, Hong Kong, Singapore, Vancouver, Melbourne, New York, Miami and Dubai.

### OCCUPIER SERVICES & COMMERCIAL AGENCY

At Knight Frank we offer a different approach, providing expert advice to tenants and landlords across the global office market.

We deliver real value through carefully formulated property strategies and robust negotiation, in prime business districts for landlords, multinational businesses and local occupiers.

### Corporate Services

Global Corporate Services (GCS) provide a full suite of portfolio management, consulting and transactional services to multimarket corporate occupiers, globally. Our account teams in London, New York and Hong Kong manage service delivery through the expertise in our local offices, across all service lines.

### CAPITAL MARKETS

Our Global Capital Markets Group has a reputation for acting on the most high profile property transactions around the world. We act for institutional, private equity, family offices, sovereign wealth and real estate companies in the cross-border acquisition and disposal of property globally. Our services cover the office, residential, retail, industrial, leisure and hotel sectors, as well as the specialist areas of student property and healthcare.

We believe the principal drivers of our success are our access to stock, the right client base and a highly collaborative network of global teams.

### VALUATION & ADVISORY

Our Knight Frank Valuation experts provide a comprehensive range of single and portfolio valuations, market appraisal and consultancy services across both the commercial and residential sectors. With a wide skill-set spanning from retail to student property, we have the ability to draw upon our significant global network of Capital Markets, Leasing, Occupier and Research industry specialists, allowing us to add value for our clients, rather than merely reporting.
